

**North Fork Crow River  
Watershed District Overall Plan  
Table of Contents**

**Executive Summary .....iii**

A: Watershed Law ..... iv

B: Formation of the District..... v

C: Organizational Structure & Board of Managers ..... v

D: Intent of the Overall Plan ..... vi

E: Mission Statement..... vi

F: Advisory Committee ..... vi

G: Purpose of the Watershed District ..... vii

H: Watershed District Accomplishments..... viii

I: Watershed District Projects and Costs (1985 – 2009) ..... ix

J: Summary of the North Fork Crow River Watershed District’s Goals ..... x

K: North Fork Crow River Watershed District’s Contact Information ..... x

**Chapter One: District Profile ..... Ch. 1 Pg. 1**

A: Watershed and District Location..... 1

Watersheds and Major Basins ..... 2

Minor Watersheds or “Subwatersheds” ..... 5

North Fork Crow River Watershed ..... 5

B: Population Profile of the District ..... 9

C: Topography, Geology, and Soils..... 12

Topography..... 12

Geology ..... 12

Soils ..... 13

D: Surface Water Resources ..... 17

Lakes..... 17

North Fork Crow River..... 18

Drainage Ditches ..... 18

Wetlands ..... 24

**Chapter Two: Water Planning Issues..... Ch. 2 Pg. 1**

A: Drainage and Surface Water Management ..... 1

Drainage Work Group ..... 1

Wetlands ..... 2

B: Reducing Priority Pollutants ..... 8

Total Maximum Daily Loads (TMDLs)..... 8

*The Rice Lake TMDL Study* ..... 11

*The Statewide Mercury TMDL Plan* ..... 11

Feedlots..... 12

Septic Systems ..... 12

*Table of Contents continued ...*

*State's Role in SSTS* ..... 15  
Stormwater Management..... 16  
C: Improving Stakeholder Participation and Raising Public Awareness..... 23

**Chapter Three: Goals, Objectives, and Policy Guidelines ..... Ch. 3 Pg. 1**

Goal One: Drainage and Surface Water Management ..... 2  
Goal Two: Reduce Priority Pollutants..... 4  
Goal Three: Stakeholder Participation ..... 6  
Goal Four: Raising Public Awareness..... 9

**Chapter Four: Implementation..... Ch. 4 Pg. 1**

A: Future Implementation Projects ..... 1  
    Goal One: Drainage and Surface Water Management ..... 1  
    Goal Two: Reduce Priority Pollutants..... 3  
    Goal Three: Stakeholder Participation ..... 4  
    Goal Four: Raising Public Awareness ..... 4  
B: Plan Administration ..... 5  
    Plan Coordination ..... 5  
    Implementation Timetable..... 5  
    Role of the District in Implementation ..... 5  
    Other Agencies Role in Implementation ..... 5  
    Recommendations for State Programs ..... 6  
    Intergovernmental Conflicts/Resolution Process ..... 6  
    Plan Evaluation..... 6  
    Major Plan Amendment Procedure ..... 6  
    Minor Plan Amendment Procedure ..... 8  
    General Information ..... 8

**List of Maps**

Map 1A: Subwatersheds ..... Ch. 1 Pg. 3  
Map 1B: Soils..... Ch. 1 Pg. 15  
Map 1C: Drainage Systems..... Ch. 1 Pg. 21  
Map 1D: Wetlands ..... Ch. 1 Pg. 25  
Map 2A: Impaired Waters..... Ch. 2 Pg. 9  
Map 2B: Feedlots ..... Ch. 2 Pg. 13

**Appendices**

List of Accomplishments & Project/Costs ..... Appendix A  
Miscellaneous Watershed Maps ..... Appendix B  
Bonanza Valley Irrigation Study ..... Appendix C  
NFCRWD 2009 Lake Monitoring Report ..... Appendix D
