- III. Record of Notice Requirements – *Cris Skonard*
- IV. KLA Statement of Petitioners
- V. Engineer’s Report – *Wenck Associates, Inc.*
- VI. BWSR Report
- VII. Public Comment and Questions Regarding Engineering
- VIII. Appraiser’s Report – *Ron Ringquist*
- IX. Public Comment and Questions Regarding Appraiser’s Report
- X. Possible Action by North Fork Crow River Watershed District Board of Managers
 - 1) Continue hearing if more information is required or if Managers desire to review information for decision at later date.
 - 2) Approval of Lake Koronis Aquatic Management Plan if the following Statutory items have been met:
 - a. Project will be conducive to public health
 - b. Project will promote the general welfare.
 - c. Project is in compliance with Minnesota Statutes 103D.
 - d. Project will result in benefits that are greater than the costs of implementation of the project.

If and when project is approved, there will be discussions of the next steps in implementation of the project.
